Team Initiatives and Operations

Caerphilly North Neighbourhood team have run an operation in Bargoed over the month of May due to the increase in calls during April for Morrisons. Historically there have been incidents of crime and ASB in this locality but positive work in 2021 stemmed this increase. There are concerns that the situation is now starting to escalate again supported by both the calls reported to Police and contact received directly from Elected Members and Members of Bargoed Town Council.

We targeted foot and mobile patrols in and around the vicinity offering words of advice and issuing Section 59's

MAKING OFF-ROAD BIKES OFF LIMITS
YMGYRCH | OPERATION HARLEY

#OpHarley

Operation Harley is a Gwent wide initiative targeting the illegal and antisocial use of off-road vehicles, during the spring and summer months.

So, what can you do to help?
Please report any concerns to us as soon as possible by direct messaging us via Gwent Police's Facebook and Twitter accounts, or emailing contact@gwent.pnn.police.uk. Please include any photographs, videos or other supporting evidence you may have.

Alternatively, you can call us on **101** or contact Crimestoppers anonymously on **0800 555 111**.

When making a report, please quote **#OpHarley**.

What we need to know?

- A description of the person riding the bike or in the vehicle in question
- Where it is being used
- When it is being used – times of day and night, days of the week
- Details of the offending vehicle/bike
- Who you believe may own the vehicle/bike
- Where you believe the vehicle/bike may be stored

With your help we can seize offending vehicles and deal with any suspects identified. Lets work together to make illegal and antisocial off-roading in Gwent off limits.

OP HARLEY

Operation Harley

Op Harley is designed to tackle off road bikes, quads, 4x4's as an ongoing operation. As part of our intelligence gathering, we have been out in the community knocking doors and delivering information on how to report this issue.

Community Engagement Events

Officers held an event at Morrisons giving away vehicle packs and talking with local residents about how to keep their car and belongings safe.

May Fair

The May Fair was very successful with lots of positive comments from members of the public and the shop keepers that we spoke with spoke of record sales!

Aberbargoed Primary School Parking

CO421 spent the morning with the Heddlu Bach children at Aberbargoed Primary School patrolling the morning traffic outside their school, issuing tickets and words of advice to vehicles causing an obstruction or parking on the zigzags
