## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Bargoed Town Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### Basis of Qualification

#### Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments financial position:

- We were not provided with the number of hours worked by the Deputy Clerk and were therefore unable to determine whether the Deputy Clerk's pay was in line with their contract.

#### Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 3: Non-compliance with relevant laws and regulations. The schedule of members payments provided to IRPW does not show the amounts received by each individual member, instead it shows the total amount received as a collective. The Council need to ensure that the amount received by each individual member is disclosed on the return.

### Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

### **Agendas do not contain supplementary documentation**

The agendas do not contain supplementary documentation. We recommend that the agendas contain the supplementary documentation for inspection by the public.

### **Fidelity guarantee insurance**

The fidelity guarantee insurance is not adequate. Adequate insurance would constitute an amount greater than the Council's year-end balance and one precept instalment. We recommend that the Council increase their fidelity guarantee insurance.

### **Quotations when procuring goods/services**

Our testing identified that only one quotation was obtained for the Floral Display Services provided to the Council. The Council should ensure they follow their standing orders/financial regulations when procuring goods/services and should obtain/strive to obtain three quotations/estimates.

### **Chair signed the accounts before the internal auditor**

The Chair signed the accounts before the internal auditor signed the accounts. We recommend that the Council ensure the Chair signs the accounts after the internal auditor has signed the accounts.

There are no further matters I wish to draw to the Council's attention.

### Audit opinion: Unqualified

On the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:
